

# Librarianship & Information Science journals locator

This information is intended to assist readers to locate some commonly requested journals in the LIS field.

- Latest issues of each journal listed are displayed in Humanities 2 on the carousels adjacent to the librarianship open access monographs.
- Where noted, more extensive runs are on open access in Humanities 2 or other British Library Reading Rooms.
- Back issues are kept in closed stacks, and can be ordered in the Reading Rooms or in advance of a visit by [reader pass holders](#).
- Where shelfmarks are noted for other Reading Rooms, please go to the Reading Room indicated.
- Electronic access to full text is only available onsite on British Library Reading Room computers to many of the journals listed.
- Items with "DSC" shelfmarks may be available for [loan](#) or [copy](#).

**NB: This is not a complete list of LIS journal holdings.** If the title you wish to read is not on this list, please search [Explore the British Library](#) for holdings.
